

Les Nuits au grand jour

Wine Exhibition of winemakers of Nuits Saint Georges

After the great success of the first edition in 2009, producers of “Nuits Saint Georges” have decided to organize a second exhibition this year and present their production :

« Villages » and « Premiers Crus » of Nuits Saint Georges
and also many other great wines of Burgundy

on March 27th and 28th, 2010
at « Les Halles de Nuits Saint Georges » (in the heart of town)
(from 10 am to 5.30 pm)

For you, « wines lovers”, this exhibition is a **unique opportunity to taste a great selection** of Côte d’Or wines which will be presented by their producers. They will answer all your questions about secrets of “terroirs”, wine-making, aging... and share their passion with you.

All wines presented will be **available for sale** during the exhibition.

The entree fee remains the same as last year : **10 €** (including tasting of all the wines presented and also a beautiful glass especially printed for this event).
